Abingdon Fire Company, Willoughby Beach Road

Edgewood, Maryland

Harford County was in need of a new fire station to respond to it's growing community in Abingdon. The Willoughby Beach Road Fire Station #3 is a substation of the Abingdon Fire Company. This facility, located in Edgewood, Maryland, is 8,700 SF in area. The station contains 3 apparatus bays, gear room, bunk room, administrative offices, kitchen, toilet rooms, a radio room and other ancillary operational spaces.
